

## Position Description

Vacancy Title: **Officer In Charge (OIC) [Nauru]**

Location: **Nauru**

Reports To: **Terminal Manager (v 1.00)**

### Objective

The Officer in Charge (OIC) is responsible for the overall management and supervision of terminal operations at one of Vital's five island facilities. This includes overseeing the daily activities related to oil storage tanks, refuelling systems, and terminal operators. The OIC ensures that operations run efficiently, safely, and in compliance with regulatory standards and plays a critical role in driving operational excellence, enhancing team performance, and delivering high levels of customer service. The role reports directly to Terminal Manager.

### Outcomes

#### Organisational Stakeholders

##### 1. Terminal Operations Management

- Terminal operations planned and coordinated to ensure the safe, efficient, and compliant handling of petroleum products.
- Daily activities of terminal staff scheduled and supervised to support seamless product receipt, storage, and dispatch.
- Team rosters prepared and adjusted to maintain adequate staffing and manage overtime within defined operational thresholds.
- Fuel inventory monitored, reconciled, and reported to ensure availability, prevent stockouts, and minimise product losses.
- Distribution of fuel via trucks to service stations, commercial clients, and bulk customers managed and tracked to meet delivery schedules and service level expectations.
- Loading and offloading of fuel products overseen to ensure compliance with quality, quantity, and safety standards.
- Regulatory and internal health, safety, security, and environmental (HSSE) requirements enforced across terminal and transport operations.
- Coordination maintained with supply vessels, hauliers, and customers to ensure efficient and timely fuel movement.
- Terminal assets including tanks, pumps, gantries, meters, and loading systems inspected and maintained to ensure reliability and compliance.
- Preventive maintenance activities monitored and corrective actions initiated to minimise downtime and extend equipment lifespan.
- Operational and compliance records prepared and submitted to support audits, reporting, and performance evaluation.

##### 2. Human Capital Management

- Relevant and timely coaching, guidance provided to direct reports for the purpose of capacity building and succession planning
- Effective contribution to the HR Recruitment function for relevant Vital's positions ensured. This shall include but not be limited to being a member of relevant recruitment interview panels
- Disciplinary actions, for direct reports, carried out in consultation with the Supervisor and the HR Department and in full compliance with all relevant laws, legislations and internal requirements

##### 3. Teamwork and cooperation

- Cooperation within the team and greater function / department
- Cooperation across functions / departments
- Work collaboratively to achieve the set targets and goals

##### 4. Organisation's image and value standards demonstrated and promoted

- Collaborate with other teams in the organisation for the benefit of the organisation
- Monitor and encourage team members to uphold image and value standards
- Uphold and demonstrate the organisation's image and values

#### Product's Stakeholders

##### 1. Customer Service

- Consistently provided prompt, courteous, and professional service to all customers, exceeding expectations for customer satisfaction and building strong relationships within the industry.
- Maintained a professional and presentable demeanor at all times, upholding the company's image and adhering to uniform and grooming policies with unwavering commitment.
- Conducted business ethically and avoided speculation on company matters with external parties, demonstrating integrity and professionalism in all interactions.
