

Position Description

Vacancy Title: **Level 1 IT Support Officer- Nadi {Readvertised}**

Location: **Nadi**

Reports To: **None**

Objective

To assist in providing a high standard of remote, telephone and email support to our client by providing service excellence in every engagement and utilizing cutting edge technology. The role of Level 1 Support is to ensure the resolution management of new cases within service level agreements, aiming to reduce repeat calls. Key Responsibilities: To be the first point of contact over a variety of channels – phone, SMS, email, and chat. Respond to incoming POS issues by troubleshooting as per guidelines and internal processes. Maintain first class communication with the client, adhering to specific service level agreements. Resolution of tickets/issues within capability level. To ensure calls/tickets are logged, prioritized, and escalated appropriately. Provision of basic training to customers over the phone. Creation of sales orders for new software/hardware requirements. Collaborate & communicate effectively within the team. Aim to increase the number of calls/tickets to be resolved on the first call. To ensure customer complaints are escalated to the level 1 team leader. To actively contribute to and participate in professional development opportunities afforded by the company.

Outcomes
